Mike Fraser  
Smith Lake Road Subdivision

Estimated Pricing for:

Standard pressure dose septic system for three-bedroom house. \$8500.00

Level Two pressure dose system for three-bedroom House. \$14,500.00

Both systems will need an electrician to wire in floats and pump for system. Conduit for wiring will be installed so that the electrician only needs to run wiring through conduit. Prices are estimates for three bedroom house. Once septic permits are issued exact pricing can be provided.
